ABOUT US

Owethu Lomsebenzi Security Services is a proudly South African security company based in KwaZulu-Natal and operates as a **division of Owethu Lomsebenzi Trading (Pty) Ltd.** Founded by **Mthokozisi Buthelezi**, our company is built on integrity, vigilance, and a deep commitment to safety.

With a strong footprint across the province, we specialize in delivering tailored security solutions to meet the unique needs of our clients. From guarding services and event security to VIP protection, private escorts, risk management, and surveillance, we are dedicated to creating safe environments for individuals, businesses, and communities.

At the core of our operations is a trained, disciplined team that upholds professionalism and confidentiality. We pride ourselves on being responsive, reliable, and proactive in a dynamic security landscape.

Your safety is our mission.

Leading Security Service Provider in South Africa With Exceptional Quality Management Skills.

At **Owethu Lomsebenzi Security Services**, we apply a disciplined and structured approach to project and work management to ensure every assignment is executed efficiently, safely, and on time. From initial client briefing to final deployment, we focus on clear communication, thorough planning, and hands-on supervision. Our team leaders are trained to manage site operations, coordinate shifts, monitor performance, and adapt quickly to changing conditions. Whether it's a short-term event or a long-term security contract, we prioritize accountability, real-time reporting, and continuous improvement to deliver exceptional service at every level.

OUR SERVICES

At Owethu Lomsebenzi Security Services, we provide specialized protection solutions tailored to the needs of individuals, businesses, and events across KwaZulu-Natal. Our services are built on precision, discretion, and a proactive approach to safety.

Corporate Security Services

Our corporate division safeguards executive personnel, company assets, and critical infrastructure through a combination of physical protection, investigative services, and specialized personnel deployments.

- **Personal Protection:** Discreet, elite-trained operatives offering close protection to executives, public figures, and high-net-worth individuals
- **VIP Protection (24/7):** Comprehensive, around-the-clock protection strategies tailored to the movements and risk profile of high-value clients
- **Electronic Countermeasures:** Detection, neutralization, and protection against unauthorized surveillance, bugging, and data interception
- **Corporate Security Personnel:** Highly presentable, site-specific officers trained in corporate etiquette, access control, and incident response
- **Fraud & Embezzlement Investigations:** Confidential investigations aimed at identifying financial misconduct within business environments
- **Theft & Stock Loss Control:** Deployment of layered security strategies to prevent internal shrinkage and supply chain losses
- **Concierge Duties:** Professionally trained personnel delivering both hospitality and access control services within high-end facilities

 **Security Consultancy & Strategic Operations**

This division is designed for high-risk environments, public safety, and operational oversight — leveraging field intelligence, tactical deployments, and specialist investigative methodologies.

- **Personal Protection:** Discreet, elite-trained operatives offering close protection to executives, public figures, and high-net-worth individuals
- **VIP Protection (24/7):** Comprehensive, around-the-clock protection strategies tailored to the movements and risk profile of high-value clients
- **Electronic Countermeasures:** Detection, neutralization, and protection against unauthorized surveillance, bugging, and data interception
- **Corporate Security Personnel:** Highly presentable, site-specific officers trained in corporate etiquette, access control, and incident response
- **Fraud & Embezzlement Investigations:** Confidential investigations aimed at identifying financial misconduct within business environments
- **Theft & Stock Loss Control:** Deployment of layered security strategies to prevent internal shrinkage and supply chain losses
- **Concierge Duties:** Professionally trained personnel delivering both hospitality and access control services within high-end facilities

 **Technical Security & Electronic Systems**

Our technical division designs, deploys, and maintains scalable electronic security infrastructure built to international standards — delivering total site awareness and real-time threat response.

- **CCTV Surveillance & Analytics:** Intelligent camera systems with facial recognition, license plate detection, and remote access capabilities
- **Access Control & Biometric Systems:** Custom access solutions including card, fob, fingerprint, and retina-based entry systems

- **Alarm Systems & Perimeter Detection:** High-sensitivity detection technology with integrated monitoring and rapid response triggers
- **Integrated System Design & Engineering:** End-to-end development of bespoke security ecosystems for complex environments
- **Installation, Commissioning & Lifecycle Support:** Full installation with ongoing maintenance and 24/7 technical service availability

Cyber Security & Digital Risk Management

Our cyber security team fortifies digital environments against evolving threats, safeguarding data integrity, connectivity, and communication across platforms and devices.

- **Network & Endpoint Security:** Deployment of firewalls, endpoint defense, and encryption to secure digital entry points
- **Data Recovery & Continuity Planning:** Rapid restoration of compromised data and failover systems to ensure operational continuity
- **IT Forensic Investigations:** Cyber forensics to trace breaches, data theft, and digital misconduct
- **Telecommunications Security:** Encrypted voice and data communications across enterprise and remote networks
- **LAN/WAN Architecture & Installations:** Design and deployment of reliable, high-security IT infrastructure for businesses and institutions

PORTFOLIO

MESSAGE FROM OUR CEO

Mthokozisi Buthelezi
Founder & CEO

Owethu Lomsebenzi Security Services

At Owethu Lomsebenzi Security Services, our mission goes beyond providing protection — it is about creating peace of mind, trust, and a secure environment for every client we serve. When I founded this company, I envisioned a service built on integrity, discipline, and unwavering commitment to safety. Today, that vision drives everything we do.

We are proud to be rooted in KwaZulu-Natal, but our impact stretches far beyond. Every officer we deploy, every client we protect, and every challenge we face is a reflection of our dedication to excellence and professionalism. Whether we are securing a home, a major event, or a high-profile individual, we operate with precision, respect, and readiness.

Thank you for trusting us with your safety. We remain committed to raising the standard of security services in South Africa — one client at a time.

24/7 VIP PROTECTION

With our VIP Protection we have what you need to secure.

At **Owethu Lomsebenzi Security Services**, our **24/7 VIP Protection Services** are tailored to safeguard high-profile individuals with the utmost discretion, reliability, and strategic precision. We understand that the security needs of VIPs extend beyond basic protection — they require a trusted team capable of adapting to dynamic environments and potential threats at any hour. Our elite protection officers are rigorously trained in close protection, defensive driving, surveillance detection, and emergency response. Whether accompanying executives, celebrities, dignitaries, or private clients, we provide full-day coverage that includes secure transport, residential protection, event escorting, and threat analysis. With our commitment to confidentiality and professionalism, clients can move freely and confidently, knowing that their safety is our top priority — 24 hours a day, 7 days a week.
